

Early Return for ebooks from Axis 360 (for iOS & Android devices)

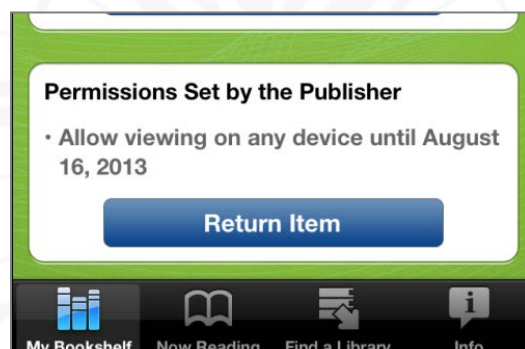

Axis 360 ebooks checked out from your library, in either the ePub or PDF format are eligible for an Early Return. ePub and PDF ebooks are read using the axisReader app. *(This excludes all Blio format ebooks.)*

An Early Return of an ebook can be done any time prior to the actual ebook expiration date.

Open the axisReader on your device; the axisReader will open to the Bookshelf.
Click on the blue arrow.

Scroll to the bottom of the following page and click on Return Item.

Lastly, click on Return.

The Axis ebook will be removed from your Bookshelf and the ebook will be returned to the library's collection for another patron to access.
